

## What did the Kindertransport children experience when they arrived in the UK?

### **Outcomes:**

Identify and listen to the stories of Kindertransport children.

Describe the journey, what they brought with them and who looked after them.

Explain what was difficult about the experience for the Kindertransport children.

### **Activities:**

1. Create a final diary entry for Leo's diary. It must include what the Kindertransport children might have taken with them to England, who looked after them and what the children found very different about the UK.. This can be created using paper, the computer or as a video recording.
2. Explore the different survivor stories of Bernard, Ruth, Ellen, John and Lisa to create the final diary entry.

### **Reflections:**

What did the Kindertransport children experience when they arrived in the UK?

Why is important for Kindertransport children to share their stories? (Forever project)
